PRINCE'S ISLAND PARK

IndigiTRAILS: Path 2 Spirit

IndigiTRAILS: Path 2 Spirit explores information and fun facts about Two-Spirit people. Two-Spirit is a term used by Indigenous communities for those that identify as 2SLGBTQIA+. This trail allows you to learn more about the community, collect information and challenge your knowledge in a fun, innovative and interactive augmented reality (AR) experience that uses GPS on your device.

Join us on our inclusive journey!

For more information on the IndigiTRAILS app, Path 2 Spirit or other available trails, please contact the Urban Society for Aboriginal Youth (USAY) at 403-233-8225 or via email at info@usay.ca. You can also check out the USAY website at usay.ca or learn about this app at usay.ca/IndigiTRAILS

Dive into IndigiTRAILS: Path 2 Spirit, an augmented reality (AR) app illuminating the significance of Two-Spirit individuals in Indigenous and LGBTQAI+ communities.

Wander through Calgary's Fort Calgary or Prince's Island Park (each contains the same experience), engaging with virtual characters, including charming gummy bears, who share insights into Two-Spirit identity.

Guided by Indigenous youth voices, and an informative quiz hosted by a majestic rainbow eagle that you have to see to believe! You get an opportunity to challenge your newfound knowledge and have some fun.

Available on Android and Apple devices, IndigiTRAILS: Path 2 Spirit is a free and educational journey that informs, inspires, and entertains.

PATH 2 SPIRIT

*Let us persist in weaving our
historical threads into the
fabric of our modern society,
embracing a reverent
recognition of the profound
significance held by our Two-
Spirit individuals.*
